MARQUIS Who'sWho®

Mr. Hill has been endorsed by Marquis Who's Who as a Korean leader in the finance industry

PITTSFORD, NY (Korea Newswire) February 07, 2019 — Marquis Who's Who, the world's premier publisher of biographical profiles, is proud to present Paul Byron Hill with the Albert Nelson Marquis Lifetime Achievement Award. An accomplished listee, Mr. Hill celebrates many years' experience in his professional network, and has been noted for achievements, leadership qualities, and the credentials and successes he has accrued in his field. As in all Marquis Who's Who biographical volumes, individuals profiled are selected on the basis of current reference value. Factors such as position, noteworthy accomplishments, visibility, and prominence in a field are all taken into account during the selection process.

With nearly 40 years of professional financial planning experience, Mr. Hill is CEO and president of Professional Financial Strategies, Inc. in Rochester, New York, USA which he founded in 1993. He also serves as the firm's senior wealth management professional. Mr. Hill acts as a personal chief financial officer for affluent and aspiring clients, working with a team of outside experts, bringing together a distinctive wealth management process focused on clients' individual needs, values and goals to make well-informed decisions for investing wealth, mitigating taxes, protecting assets, passing a secure legacy, and benefitting charitable causes.

Prior to establishing his pioneering independent financial and wealth

planning firm, Mr. Hill was principal of Hill Financial Advisors from 1984 to 1994, working in the insurance industry before that. His disappointment with that industry's sales incentives motivated Mr. Hill to earn his professional designations: Certified Financial Planner (CFP®), Chartered Financial Consultant, and later, Accredited Tax Advisor. These have ethical requirements and fiduciary duties of loyalty and care. He is a member of the Financial Planning Association and the National Society of Accountants and licensed to teach continuing education for CPAs. Mr. Hill served as an adjunct faculty member for the College for Financial Planning at St. John Fisher College in Pittsford, New York.

Mr. Hill earned a Bachelor of Arts with distinction in English literature from the University of Rochester (New York) in 1974, and a Master of Business Administration in financial management from the William E. Simon Graduate Business School at the same university in 1989. Education in his specialty includes a Master of Science in Financial Services from American College (Pennsylvania) in 1988, and a Master of Science in Financial Planning from the College of Financial Planning at of the University of Phoenix (Arizona) in 1997.

During his career Mr. Hill has been recognized for his contributions. Reuters named him among the United States's Top Advisors for 2008. He and his firm have been written about in *Forbes, Fortune*, and *Money*, among others. Likewise, he was featured by Dimensional Fund Advisors on their "Value an Advisor" series. As co-author of the book Retire Abundantly, James Malinchak of ABC-TV's "The Secret Millionaire" interviewed him. Additionally, Mr. Hill is a consultant and financial supporter for the Partnership Foundation for education in tribal areas of northeastern India.
